

Menomonie Tree Planting Program

To encourage the planting of trees in the City of Menomonie, the Urban Forestry Committee will be offering trees for sale to the citizens of Menomonie. The trees will be offered at a 35.00 discount off the normal price and will be containerized plants. The requirements of the program include:

- Tree must be planted within the city.
- Tree will be planted by property owner or their designee.
- The tree will have no warrantee.
- There will be a limit of two per person.
- Interested parties will need to understand proper tree planting and care, as well as meet with a city official to determine the type of tree and the location of planting.

The number of trees offered will depend on the monies budgeted. A waiting list will be created for the next years planting.
